WEATHER & RAIN PLAN

The current forecast shows a 60% chance of thunderstorms in our ZIP code on Saturday. We hope to avoid rain at the property, but everyone should be prepared for possible delays.

If weather moves through, players and teams may take shelter inside the First Pitch Cafe / Green Building. We will allow the weather to pass and resume play when conditions are safe.

If the tournament cannot be completed on Saturday, the remaining playoff games will continue Sunday at 10:00 AM.

FIRST PITCH CAFE

Also known as: The large Green Building by right field.

- Water and snacks
- Social Lounge

FIELD CONDITIONS

Fields 1 and 3 are looking great.

Field 2 has newly installed sod and may still be a little rough in some areas. Each team will play only one game on Field 2, and Field 2 will not be used during the playoffs.

IMPORTANT REMINDERS

NO KIDS

NO PETS

STREAMED & FEATURED GAMES

For featured streamed games, please refrain from foul language as much as possible. There should be no visible alcohol, and all players should help keep the broadcast viewer-friendly.

Featured games are generally selected based on which teams present themselves most professionally, including matching uniforms and a polished team appearance. Selection is not based only on skill level.

We will do our best to stream as many Main Turf Field games as possible if we can get the setup ready for this tournament. Any players who wish to volunteer with cameras, scorekeeping, or umpiring should reach out to Adam Tanic or Tom Gannon to fill a role when they are not playing.

A NOTE FROM PLW

At PLW, we are thrilled to be building a new home and community here in Florida and welcoming so many new players to the style of format we love. Please understand that there are still many new players, several of whom will be playing under these rules for the first time. Mistakes may happen, but remember that we are all here to have fun and build something special.

MANAGER CHECKLIST

- Share this information with every player before the tournament.
- Confirm each player knows the check-in location and available times.
- Remind all players about the no-kids, no-pets, and broadcast conduct policies.
- Ask available players to volunteer for cameras, scorekeeping, or umpiring when they are not playing.

We appreciate everyone's help, enthusiasm, and understanding as we continue to grow the wiffleball community throughout the surrounding areas.
